Programming opportunities

Academics:

We are committed to helping students in their academic pursuits. We strive to help our students achieve academically through daily homework assistance, and assisting them with progress on their Extra Credit subjects, i.e. Civics, Reading, and Math. Students will work on Extra Credit during the times when they do not have homework to complete or have already completed their homework.

We work closely with the Jersey City Public School District. We ask parents/guardians to authorize the release of academic records from the school to New City Kids. By tracking students' academics, New City Kids seeks to offer the strongest possible academic support to reinforce what is being taught in the classroom and to ensure that students are prepared to successfully enter high school and college.

Activities, including Music School:

We offer a variety of performing arts/activity classes throughout the school year. Your child(ren) may have the opportunity to participate in bass, keyboard, drums, performing arts, and academic classes, with other potential possibilities as well. The Music School is a part of the After School Center, and allows students to intensely study an instrument during the entire school year. Instead of switching activities throughout the school year, Music School students remain in their class the entire year.

Events:

Throughout the year there are optional events in which the children from the After School Center may be invited to participate. Most notably, a group of students presents at two fundraising events annually, "The Bash" (in the fall) and the "Spring Production" (in the spring).

Brighter Day:

The Brighter Day component of the After School Center provides additional support for students who surrounding issues of grief, loss, abuse, violence, and/or emotional or social issues. All After School Center students will participate in a one-session group called "Kids Have Rights," which is designed to make children aware of ways to prevent

abuse or compromising situations and how to bring forward such a situation if it has occurred. Throughout the school year, a clinician is available to provide individual or group counseling sessions. Parents' consent will be sought before any individual clinical services would be provided to children, and parents are invited to speak to the program directors if they feel this could be a benefit to their children.

ASC dismissal/pick up policy

Parents/guardians or other authorized individuals must pick up children at **5:45pm**.

Parents/guardians must make provisions for their child to be picked up on time (at 5:45pm). After 6pm, a late-fee will be charged for a child who has yet to be picked up. The late-fee is **\$10 for every 10 minutes** a child remains at the center after 6pm. **If the child is not picked up by 6:30pm, and parents/guardians remain unreachable, ASC staff may notify the Department of Youth and Family Services.**

Parents/guardians may authorize ASC staff to release a child to individuals besides him/herself on the child's enrollment form, or through other written notification. ASC staff will not release a child to an individual who is not the parent/guardian unless there is prior authorization from the parent/guardian. If the parent(s) or person(s) authorized by the parent(s) appears to be physically and/or emotionally impaired to the extent that, in the judgment of the director and/or staff member, the child would be placed at risk of harm if released to such an individual, the center shall ensure that: 1) The child may not be released to such an impaired individual; 2) Staff members attempt to contact the child's other parent or an alternative person(s) authorized by the parent(s); and 3) If the center is unable to make alternative arrangements, a staff member shall call the 24-hour Child Abuse Hotline 1-877-NJ-ABUSE (1-877-652-2873) to seek assistance in caring for the child.

Parents/guardians may authorize their children to walk home following the ASC dismissal at 5:45pm each day. Understanding that the child(ren) will be walking home unsupervised, parents/guardians may give their written permission for children to be dismissed as walkers in the enrollment form.

Attendance

Since we are not a school, attendance is not mandatory or regulated by State law. However, in order to provide the best possible results for your child's improvement and success, we encourage consistent attendance. **When a child is going to be absent, please call before 2:30pm on the day of his/her absence. This is especially important if ASC staff picks up and walks your child from P.S. 17 or P.S. 12.**

For families who receive the New City scholarship, students are expected to attend a minimum of Four days a week. There are a lot of families who would like to sign their children up for and our waiting list is very long, and we want to make sure that the families we scholarship make use of the After School Center. Failure to maintain an average weekly attendance of 4 days a week will result in **loss of scholarship**.

Tuition payment schedule

We strongly encourage families to apply for a scholarship through the Urban League of Hudson County! Families who are approved for Urban League scholarships do not need to make any tuition payments for their children to attend the ASC. Urban League families are required to pay a deposit which will be refunded at the beginning of October if the family's swipes are up to date. Families are expected to regularly swipe their Family First card to record their child(ren)'s attendance. ***Families that fail to do so will be fined \$2 per child per day missed.***

The 2016-2017 tuition rate is \$80/month for the first child enrolled. There is a sibling discount of \$65/month for any additional children enrolled (i.e. 2 siblings \$145/month; 3 siblings \$210/month).

Tuition is due on the **first weekday of the month**, and must be paid with cash or a money order. There will be a Five-day grace period extended for tuition payments (the first week of the month). A late-fee of \$10 will be added to payments made during the second week of the month. A child whose tuition remains unpaid by the third week of the month will not be allowed to attend the ASC. Monthly payments are non-refundable, should you decide to withdraw your child from the ASC.

Health/first aid/medication/communicable diseases policy

In the event of an emergency, staff will first try to reach parents/guardians, and then contact the individuals listed on enrollment form as emergency contacts.

A sick child should be kept at home since illness can spread very quickly in a child care center. If a child complains of feeling sick while at the ASC, the parents/guardians will be called to come and pick up the child immediately. **Please call us on days your child is ill and will be absent (this is especially important for children who are picked up from PS 17 or PS 12 and/ or receive Urban League scholarships).**

New City Kids adult staff is CPR certified and first-aid trained.

In cases of minor scratches, scrapes, and cuts, staff will use basic first aid measures, cleaning and bandaging the area (using soap and water). If you do not wish for New City Kids staff to treat a minor injury in this manner, please communicate this request to the Director in writing.

If your child needs to take medication during the hours s/he is in New City Kids ASC care, the ASC Director must receive your directions and consent in writing for administering medication.

Per New Jersey State law, the ASC will not permit a child who has any of the following illnesses or symptoms of illness to attend unless given medical diagnosis from a health care provider in writing, or verbally, with a written follow-up, indicating that the child poses no serious health risk to him or herself or to the other children. Such illnesses or symptoms of illness shall include, but not be limited to, any of the following: severe pain or discomfort; acute diarrhea (characterized as twice the child's usual frequency of bowel movements with a change to a looser consistency within a period of 24 hours, or bloody diarrhea); two or more episodes of acute vomiting within a period of 24 hours; elevated oral temperature of 101.5 degrees Fahrenheit or over or auxiliary temperature of 100.5 degrees Fahrenheit or over in conjunction with behavior changes; lethargy that is more than expected tiredness; yellow eyes or jaundiced skin; red eyes with discharge; infected; untreated skin patches; difficult rapid breathing or severe coughing; skin rashes in conjunction with fever or behavior changes; weeping or bleeding skin lesions that have not been treated by a health care provider; mouth sores with drooling; or stiff neck.

If a child who has already been admitted to the center manifests any of the illnesses or symptoms listed above, the center shall remove that child from the group of well children to a separate room or area until s/he can be taken from the center, or the director has communicated verbally with a health care provider that the child poses no serious health risk for him/herself or to the other children, at which time the child may return to the group.

The center shall not permit a child to remain at the center with any of the following excludable communicable diseases, until a note from the child's health care provider is received saying the child has been diagnosed and presents no risk to him or herself or others, or the center has contacted the Communicable Disease Program in the State Department of Health and Senior Services, or the local health department pediatric health consultant, and is told the child poses no health risk. The excludable communicable diseases include Respiratory Illnesses (Chicken Pox; German Measles; Hemophilus Influenza; Measles; Meningococcus; Mumps; Strep Throat; Tuberculosis; Whooping Cough), Gastro-Intestinal Illnesses (Campylobacter; Escherichia coli; Giardia Lamblia; Hepatitis A; Salmonella; Shigella), and Contact Illnesses (Impetigo; Lice; Scabies; Shingles).

If an outbreak of any of the excludable diseases occurs at the center, each parent whose child may have been exposed to the disease shall receive a written notice of the outbreak.

Discipline/Expulsion Policy

We have a warm and loving environment at New City's ASC. In order to maintain this environment, we use the following discipline policy.

The consequences for misbehavior are as follows:

- 1. First incident** – Verbal warning from ASC teen or adult staff.
- 2. Second incident** – Time out in foyer, while meeting with adult staff to discuss the problem.
- 3. Third incident** – Time out in foyer, accompanied by a call home to parent/guardian to discuss the problem and to speak with the child.
- 4. Fourth incident** – Suspension for a period of days to be decided by ASC Director. No refund will be given.
- 5. Continued incidents** – Removal from program (see expulsion policy below).

Unfortunately, there are sometimes situations when we have to expel a child from our program either on a short term or permanent basis. If the violation is serious enough, a staff member may proceed directly to Step 3 and/or 4 (particularly if the child's behavior endangers his/herself or others). The following are reasons we may have to suspend or expel a child from the center:

Immediate causes for expulsion: These include the child being at risk of causing serious injury to other children or him/herself, parent threatening physical or intimidating actions toward staff members, parent exhibiting verbal abuse to staff in front of enrolled children.

Parental actions for child's expulsion: Failure to pay/habitual lateness in tuition payments, failure to complete the required forms, habitual tardiness when picking up the child, verbal abuse to staff.

Child's actions for expulsion: Failure of a child to adjust after a reasonable amount of time, uncontrollable tantrums/angry outbursts, ongoing physical or verbal abuse to staff or other children, excessive biting.

Schedule of expulsion: If the remedial actions have not worked, the child's parent/guardian will be advised verbally about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the center. The parent/guardian will be informed regarding the length of the expulsion period. The parent/guardian will be informed about the expected behavioral changes required in order for the child or parent to return to the center. The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care (approximately one to two weeks, depending on risk to other children's welfare or safety). Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

A child will not be expelled: If a child's parent(s): made a complaint to the Office of Licensing regarding a center's alleged violations of the licensing requirements, reported abuse or neglect occurring at the center, questioned the center regarding policies and procedures, or without giving the parent sufficient time to make other child care arrangements.

Proactive actions that can be taken in order to prevent expulsion: Staff will try to redirect child from negative behavior. Staff will reassess classroom environment, appropriate activities, and supervision. Staff will always use positive methods and language while disciplining children. Staff will praise appropriate behaviors. Staff will consistently apply consequences for rules. Child will be given verbal warnings. Child will be given time to regain control. Child's disruptive behavior will be documented and maintained in confidentiality. Parent/guardian will be notified verbally. Parent/guardian will be given written copies of the disruptive behaviors that might lead to expulsion. The director and parent/guardian will have a conference(s) to discuss how to promote positive behaviors. The parent will be given literature or other resources regarding methods of improving behavior.

It is our intention and belief that it is possible to correct behavior problems as they arise. If a child does need to receive a call home, or have a period away from the ASC, it is our intention to work to reinstate that child and help him or her succeed. We want to build a positive and supporting environment and we will make every effort to do this.

Parent involvement

We hope to help foster healthy families and seek to support parents however we can. We seek to encourage parent involvement through:

- informal day-to-day conversations
- hosting regular parent discussion/support group meetings.
- hosting two big semester end performances/celebrations (Christmas and Summer Celebration).
- hosting other events throughout the school year, such as parent open houses, for parents to visit the ASC.
- posting information and flyers in prominent locations at New City Kids to keep parents up-to-date on upcoming events and announcements.

When you come to pick up your child, we invite you to wait in our seating in the foyer area. ASC staff will locate your child from his/her class or tutoring, and after gathering his/her belongings, your child will come meet you in the foyer. If you would like a tour of our facility, or to spend an afternoon with your child, please contact the ASC Director. You are welcome to visit anytime! We do ask that parents not enter any classrooms or our main tutoring area without permission in order to help us maintain a standard of safety and order.

Declaration of Faith

New City Kids is a missional, non-sectarian community driven by our shared Christian faith to bring whole life transformation to children by empowering them to be agents of change in their lives and their communities.

New City Kids is founded upon the conviction that God brings unlimited hope to the marginalized in our world. At New City Kids this is realized as at-risk children become recipients of grace, empowerment, and resources enabling them to be agents of renewal in their cities.

New City Kids adheres to the Apostles' Creed as a basis for biblical truth pointing to God's creation of the world, the deity of Jesus Christ, his atonement for our sins through his sacrifice on the cross, and his resurrection.

New City Kids recognizes the incredible diversity of the cities in which it serves and is committed to serve all children regardless of race, religion, creed, or any other status.

New City Kids' programs will include Christian songs of worship, corporate times of prayer, and teaching from the Bible. Participants will not be required to engage in activities in which they feel uncomfortable but will be welcomed to explore and grow in their personal relationship with God.

Any parent who has concerns or questions about New City Kids' faith-based activities is encouraged to speak with the After School Center Director. We would love to share more with you.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in the center.

Parents are entitled to review the center's copy of the Office of Licensing's Inspections/Violation Reports on the center, which are issued after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the Office's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review.

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.
